OFFICIAL MANIFESTO

A Vision Grounded in Leadership, Service, and Community Action

02
LAFON

CAMPAIGN SLOGAN

"Talk less, act more to solve constituency problems as they appear."

My journey has taken me from Lafon, through Kakuma, to higher education and leadership. Throughout that journey, I have remained deeply committed to learning, service, leadership, and the development of our communities. I believe public service carries a solemn responsibility to listen to the people, understand their challenges, develop practical ideas, and take decisive action.

OUR FIVE CORE PRINCIPLES

01
Action
Ideas become meaningful when translated into action.

02
Ideas First
Solutions require practical and innovative thinking.

03
Independent
Led by integrity and independent reasoning.

04
Education
Creating opportunity & strengthening minds.

05
Health
Healthy communities drive progress.

KEY PRIORITIES FOR CONSTITUENCY 02

1. Education

CORE FOUNDATION

> *"Education should create opportunity and empower people to shape their own future."*

- ✓ Supporting access to quality primary and secondary education across the constituency.
- ✓ Encouraging opportunities for children and young people to remain in school.
- ✓ Promoting practical skills development and vocational training pathways.
- ✓ Supporting opportunities for higher education and professional development.
- ✓ Promoting education as a direct pathway to employment and entrepreneurship.

2. Health

COMMUNITY WELLBEING

> *"Health is not separate from development; healthy communities are better able to learn, work and prosper."*

- ✓ Supporting improved access to localized essential healthcare services.
- ✓ Promoting comprehensive health awareness and preventive care in communities.
- ✓ Supporting targeted maternal and child health initiatives.
- ✓ Advocating for immediate attention to the healthcare needs of underserved areas.

STRATEGIC PRIORITIES (CONTINUED)

3. Agriculture

ECONOMIC EMPOWERMENT

> *"Stronger agriculture contributes directly to stronger livelihoods and resilient communities."*

- ✓ Supporting local farmers with improved tools, knowledge, and agricultural skills.
- ✓ Promoting modern, sustainable farming practices tailored to local soil and climate.
- ✓ Supporting food security initiatives to protect households against shortages.
- ✓ Creating structured opportunities for young people to participate in commercial agriculture.
- ✓ Encouraging agricultural activities that directly boost household incomes.

4. Youth Empowerment

FUTURE LEADERSHIP

> *"Young people must have the knowledge, skills and opportunities to contribute to their communities."*

- ✓ Vocational skills development, practical training, and formal mentorship programs.
- ✓ Fostering youth entrepreneurship and supporting sustainable economic opportunities.
- ✓ Encouraging constructive youth participation in civic affairs and community development.
- ✓ Developing leadership capacity among young women and men in Lafon.

5. Unity, Peace & Security

SOCIAL COHESION & DEFENSE

> *"Our differences should not prevent us from working together toward common goals."*

- ✓ Encouraging continuous inter-community dialogue and peaceful coexistence.
- ✓ Strengthening cooperation between traditional community leaders, youth, and citizens.
- ✓ Promoting a culture of peaceful, respectful problem-solving and shared prosperity.
- ✓ **Call for Unity in Diversity:** Uniting the diverse Payams of the constituency to collectively confront security threats, specifically targeting child abduction and cattle raiding.
- ✓ **Collective Security:** Organizing collective security frameworks across the constituency against cattle raiding.

OUR GRASSROOTS METHODOLOGY

Listen → **Understand** → **Develop Ideas** → **Take Action** → **Follow Up**

6. GOVERNANCE & GRASSROOTS ACTION

Participatory Development & Action

INTEGRITY & GOVERNANCE

- ✓ **Participatory Development:** Driving active community engagement across all Constituency Payams.
- ✓ **Action over Pledges:** Voting and delivering concrete action as required, rather than making pledges merely to please a gathering.
- ✓ **People First:** Prioritizing the clear interests, welfare, and safety of community members.
- ✓ **Evidence & Ideas:** Making decisions based on clear facts, practical ideas, and long-term sustainability.
- ✓ **Open Governance:** Fostering transparent dialogue, accountability, and regular progress reviews.

SUMMARY MATRIX OF PRIORITIES

PILLAR	CORE STRATEGIC FOCUS	EXPECTED OUTCOME
Education	School retention, vocational training, higher education access.	Empowered youth & skilled workforce.
Health	Preventive care, maternal & child health, clinic access.	Resilient, healthy communities.
Agriculture	Modern sustainable practices, tools, youth farming initiatives.	Food security & higher household incomes.
Youth	Entrepreneurship, leadership training, civic participation.	Active community transformation.
Unity & Security	Payam unity against child abduction, collective security against cattle raiding.	Protected, stable environment for growth.
Development	Participatory Payam development, vote action over gathering pledges.	Direct solution to community problems.

MY VISION FOR LAFON CONSTITUENCY 02

I envision a Lafon Constituency 02 where education creates real opportunity, healthcare supports thriving families, agriculture strengthens household livelihoods, young people hold meaningful roles, and united security enables our people to live in peace and work together toward sustainable development.

"Action is the solution to our people, not words."

LAFON CONSTITUENCY 02 — FORWARD FOR EDUCATION, HEALTH, AGRICULTURE, UNITY & SECURITY
